

FIXED ROUTE INFORMATION AND SCHEDULES

DATA Bus's Fixed Routes run Monday thru Friday. No Scheduling is needed for Fixed Routes. DATA will deviate up to ¼ mile for passengers who have been certified by DATA or another public transit system to have a qualifying disability.

The GREEN ROUTE runs 7x daily, from the Delaware Library along Rt. 23 to the COTA Bus Crosswoods P-N-R. You receive free transfers between COTA and the DATA Bus.

The "RED" and BLUE" routes operate within Delaware City. Both of these routes follow exactly the same route path in a circular motion around the city but run in opposite directions. This allows passengers to be on the bus for the shortest time possible.
